

SATHISHKUMAR V

About Me

I am a passionate and motivated Computer Science Engineering student with strong skills in programming, problem-solving, and web development. I have hands-on experience in Python, C, HTML, CSS, and JavaScript, and I am familiar with the MERN Stack. I enjoy building creative projects like websites, apps, and games, and I am always eager to learn new technologies. My career goals are to become a skilled Full Stack Developer and to pursue civil services as an IAS officer.
